Just in...2016 Swift Challenger Cruach 590 touring caravan. Popular 6-berth family layout with fixed bunk beds to the rear opposite a dinette behind a mid-kitchen and mid-washroom and twin front seating. Being a 2016 model, this has the refresh for the Challenger that came in that year so benefits from LED rear lights and an updated front/rear panel. This is also the ALDE version, benefitting from this highly efficient heating system and being a Cruach also has the additions of a roof mounted solar panel, exterior 230v and BBQ points, under front seat access, unique interior upholstery and exterior decals. There is also the benefit of a motor mover having been fitted for extra convenience. Please contact our sales team for more information or to arrange a viewing.
