Due in...2013 Sprite Alpine 2 touring caravan. Popular and very light, 2-berth tourer with spacious lounge, kitchen and rear washroom area. Being a 2013 model, this was the first year of the Truma Combi-boiler so you get extra storage space where the separate fire would have normally resided. This also has the optional panoramic sunroof for extra light into the caravan. Sub 1200kg 2-berth which can be towed by most vehicles. Please contact our sales team for more information or to arrange a viewing.
